## VIRGINIA NEWS

Paragraphs Picked Up Here and There Throughout the State.

The death of Rev. J. H. Amis, one of the best-beloved members of the Virginia Methodist Conference, is momentarily expected in Norfolk. Dr. Amis, who is 81 years of age, was stricken on Friday night in his left side with a second stroke of paralysis and he has never regained consciousness.

Several nights ago a Chesapeake and Ohio train ran into a herd of cattle belonging to the Crenshaw farm, near Orange, and killed 13 cows, and crippled 23. Most of them were dairy cows. The gate between the railroad and the field where the cattle were pastured had been left open, and the cattle wandered out on the track and were grazing when struck.

State Health Commissioner E. G. Williams, who has charge of enforcement of the quarantine against infantile paralysis, has ruled that children under sixteen years old coming from New York, New Jersey and Pennsylvania may pass through Virginia en route to some other state provided they do not stop at any point longer than is necessary to make connections. He also ruled that children who journey to Virginia by a route which takes them through any of the infected states do not come within the scope of the quarantine if their journey is a continuous one, and if they have not come from any one of the three states within a period of two weeks before starting.

An unidentified negro yesterday attempted to assault Mrs. Charles Christman at her home at Riverton, three miles from Front Royal. Mrs. Christman's screams brought neighbors, and the negro fled. He later was captured and tried before Squire Duncan, when he pleaded guilty, and was held for the grand jury. He is in jail at Front Royal but refuses to give his name or place of residence. Lynching is feared.

## FAMILY AVOIDS SERIOUS SICKNESS

By Being Constantly Supplied With Thedford's Black-Draught.

McDuff, Va.—"I suffered for several years," says Mrs. J. B. Whitaker, of this place, "with sick headache, and stomach trouble."

Ten years ago a friend told me to try Thedford's Black-Draught, which I did and I found it to be the best family medicine for young and old.

I keep Black-Draught on hand all the time now, and when my children feel a little bad, they ask me for a dose, and it does them more good than any medicine they ever tried.

We never have a long spell of sickness in our family, since we commenced using Black-Draught.

Thedford's Black-Draught is pure, vegetable, and has been found to regulate weak stomachs, aid digestion, relieve indigestion, colic, wind, nausea, headache, sick stomach, and similar symptoms.

It has been in constant use for more than 70 years, and has benefited more than a million people.

Your druggist sells and recommends Black-Draught. Price only 25c. Get a package to-day.

YOU should have a Kanawha or a Red Jacket Pump because they are

SO EASY TO WORK—SO EASY TO FIX. A child can operate them, and when repairs are needed, you can easily do the work yourself. When your well is properly fitted with a

KANAWHA (wood) or PUMP RED JACKET (iron) you are assured of having the best.

Over forty years of successful pump building is your guarantee that we will build it correctly. Send for our illustrated catalog. If your dealer cannot supply, you write direct.

## AUCTION SALES

PUBLIC SALE OF VALUABLE IMPROVED RIVER FRONT TRACT OF LAND KNOWN AS "COLLINGWOOD."

By virtue of authority vested in me by deed of trust dated April 2nd, 1915, from Clayton E. Emig and wife to me as Trustee, recorded in Liber W, No. 7, page 242, of the land records of Fairfax County, default having been made in the payment of the debt thereby secured, and in the performance of the covenants and conditions contained therein, and at the direction of the party secured thereby, I will offer for sale at public auction, on the premises at two o'clock, p. m., on Tuesday, the 5th, day of September, 1916, that tract of land situated in Mount Vernon Magisterial District, Fairfax County, Virginia, on the line of the Washington Virginia Railway, and bordering on the Potomac River, and bounded as follows:

BEGINNING at a point on the Potomac River at low water mark, thence North, eighty-three and one-fourth degrees; West fifteen and forty-six one hundredth chains to a stake in the lane or private road of said first parties, thence with the center of said road, south sixty-two degrees and five minutes; West, eight and fifty hundredth chains; North seventy-nine degrees and twenty-five minutes; West, twenty-seven and seventy hundredth chains to a small bridge; North sixty-eight degrees and forty minutes; West, ten and eighty hundredth chains to a stake in the center of the county road; thence with said county road South twenty and one-fourth degrees; West, sixteen and thirty hundredth chains to another stake in the center of said road; thence leaving said road with the line of Charles F. Wilkins, South sixty-five degrees and thirty-five minutes; East, seventy and fifty hundredth chains to low water mark on the Potomac River, (passing a leaning Willow tree with top broken off, near high water mark) thence with the Potomac River shore at low water mark, in a Northerly course to the point or place of beginning; containing one hundred and fifty-six acres of land, more or less.

Subject to a deed of trust for three thousand dollars (\$3,000.00), on one hundred (100) acres of the western portion of said tract, executed by Clayton E. Emig and wife, and duly of record among the land records of Fairfax County.

The property will first be offered in two separate parcels in the following order, to-wit:

First: The whole of the said tract of one hundred and fifty-six (156) acres, except about thirteen (13) acres conveyed by Clayton E. Emig to Lelia D. Emig, and described below. If the foregoing tract does not bring a sufficient amount to satisfy the said trust, taxes and expenses of sale, then

Second: The remainder of said original tract comprising about thirteen (13) acres which was conveyed by Clayton E. Emig to Lelia D. Emig, and described as follows:

BEGINNING at a point on the Potomac River at low water mark, running thence North 83 1-4 degrees West 15 and 46-100 chains to a stake in the private lane or road of the party of the first part; thence running with the centre of said road South 62 degrees 5 minutes West, 8 and 50-100 chains excepting however, the triangle aggregating one-half acre sold to E. A. Thompson by agreement of October 26, 1915; thence running South 20 degrees 15 minutes West, a distance of 225 feet; thence running along line South 79 degrees 25 minutes, East in a straight course until said line intersects the Potomac River at low water mark; thence in a Northerly direction along the said River shore, and at low water mark of said Potomac River to the place of beginning. Containing about thirteen acres of land more or less.

If the said two parcels together do not bring a sufficient amount to pay the said deed of trust, taxes and expenses of sale, then the said property will be offered as a whole.

Terms of Sale: Cash, conveyingance at the cost of purchaser. A deposit of one thousand dollars (\$1,000.00) cash will be required when the property is knocked down to the purchaser, and ten days will be allowed for examination of title and completion of purchase.
